

2016-17 Class Registration Update

Have you registered for classes before?

YES

NO

Be sure immunization records are up to date with the office.

Log on to check email address and phone number to see that they are current. Teachers use this information to contact you about classes.

Check to see that each program child is listed and that their grade level is correct. Add new students.

Add child's name to be used in class in parenthesis if it is different than listed. -i.e: Michael (Mike).

Provide any special accommodations, IEP, 504 or allergy information. This will not be published on class lists, just marked with an * to cue teachers to check for additional information.

Remove any parent or non-student names which may have been added for family classes in the past. They are not needed.

Reacquaint yourself with registration procedures. Immunization records must be up to date to participate in registration.

Email questions to enrichmentmhsap@aol.com or leave a message at the MHSAP office 373-9209.

Do you have online access?

YES

NO

Go to <http://mhsap.marion-isd.org> for complete instructions.

Request a registration packet from the MHSAP office 373-9209.
